Hi Emmanuelle,

Overall I thought you captured most of what was discussed back on September 25. I added some information which I highlighted in yellow to catch your attention for concurrence purposes. I also restructured the "tribal contingency" piece to clearly define that both agencies have the same requirements of the Tribe/HUC. I've copied James and Jesse and would ask that they provide any edits they might offer by COB today. I suspect you will be generating minutes for yesterdays call as well along with an agenda for next weeks meeting. I am in tomorrow and then gone for a week so if my review is desired it would have to occur prior to COB tomorrow. Thanks for keeping on top of these minutes and please give me a call to discuss this afternoon at 2:30 if you are available at that time.

Eric
